**District Manager : Mr Craig Hammerman**  
**Community Board District: 6**  
250 Baltic St  
Brooklyn, NY 11201

Dear: Mr. Craig Hammerman

We have been asked by the **Department of Transportation** to notify **Community Boards** in advance of work planned for their areas. As you know, we are required to upgrade our cable system according to the terms of our franchise agreement with the City of New York. The work outlined in the attached sheet is part of that process.

The attached notification lists the work we plan to accomplish, and the time period in which we expect to begin and complete the work. If you have any questions, you may feel free to contact me at 718 888-4283 or Sandra Cranford at 718-888-4287.

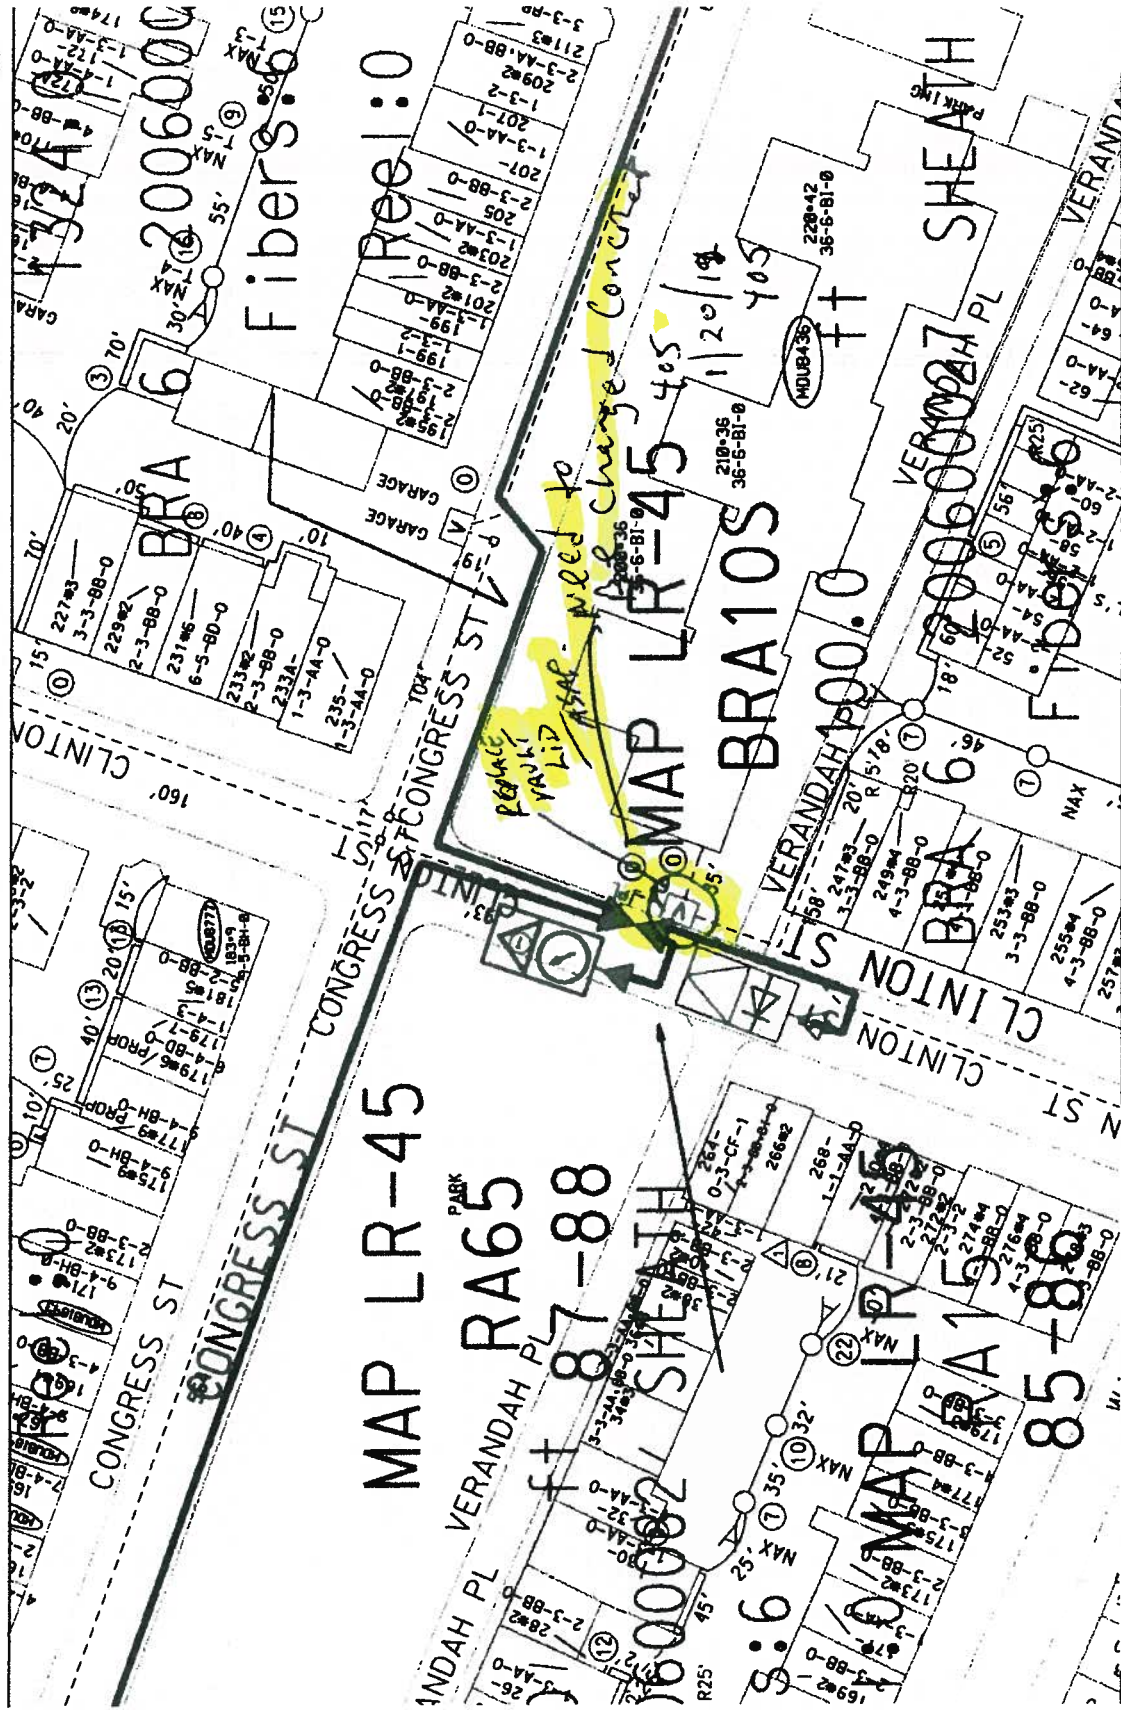

Sincerely,

Sandra Cranford
