Meet the New Stevedore

**Join a Community Conversation with
Phoenix Beverage Company,
Operator of the Red Hook Container Terminal**

In the fall, Phoenix Beverage Company replaced American Stevedoring, Inc. (ASI) as the group responsible for operating the Red Hook Container Terminal on behalf of the Port Authority.

This meeting is an opportunity to talk with Phoenix Beverage Company about building and maintaining a good relationship between the port and its neighborhoods.

Thursday February 9, 2012, 6:30 pm

**Postgraduate Center for Mental Health
177 Columbia Street at Degraw Street**
